NEW YORK SOUR | 28

VELVETY, TART, RICH

Whisky, Lime, Orange, Red Wine

2018

The New York Sour is a classic with a twist, born in the heart of the 19th century during the golden age of American mixology. Legend has it that bartenders in New York City, seeking to elevate the traditional whiskey sour, added a layer of red wine for a rich, velvety finish. This creative innovation became a signature drink for those who appreciated bold flavors and a little bit of flair. A true reflection of the city's spirit—where tradition meets innovation.

THE BLOODY MARY

In 1934, famed barman Fernand Petiot perfected the recipe for a vodka-and- tomato juice cocktail, known as the Bloody Mary at The St. Regis New York's King Cole Bar. Originally christened the "Bloody Mary", the cocktail was renamed the "Red Snapper" so as not to offend the hotel's refined clientele.

After more than 80 years, the iconic Bloody Mary remains the signature cocktail of the St. Regis.

THE ORIGINAL BLOODY MARY | 22

SPICY, SAVORY, ACIDIC, GARDEN SALAD, BRINE

Vodka, Tomato Juice, Celery Salt, Pepper, Worcestershire, Tabasco, Lemon

When Petiot originally created the drink, it was called the Bucket of Blood. In search of a more appealing name, Petiot renamed the drink the Red Snapper upon arrival at the St. Regis's bar. And as for the name Bloody Mary, there are conflicting reports. Most agree the name has ties to Queen Mary of England, known for her gruesome executions and most likely came about as the drink spread through Europe.
